

FLECKENSTEIN FARMS— CSA SHARE

Our season runs about 15 weeks starting mid-June depending on the weather. This year we are changing it up a little we are going to a market style CSA where you get to choose your produce from our stand each week (It can feed 3-4) We offer the popular crops lettuce, tomatoes, squash, potatoes. etc. (see our website for more crops included in the share fleckensteinfarms.com. It is all about an eating adventure. We want your family to enjoy access to great tasting fresh local produce. Don't forget to stop and see the turkey he loves attention!
